G.O. No. 25, L.A., dated 9th January 1954.

[Establishment—Municipal councils and district boards—Staff other than inferior servants—Appointment—Consultation with the Employment Exchange—Orders passed.]

Order—No. 25, L.A., dated 9th January 1954.

Under rule 4 of the rules relating to qualifications and recruitment of inferior servants under $\frac{\text{municipal councils}}{\text{district boards}}$ the $\frac{\text{executive authority of a municipal council}}{\text{president of a district board}}$ should apply to the District Employment Officer or the Sub-Regional Employment Officer (as the case may be) for recommending a suitable candidate when an appointment has to be made under rule 2 (*c*) (ii) or 3 of the rules. The Government have now decided that whenever vacancies arise in the posts under $\frac{\text{municipal councils}}{\text{district boards}}$ other than those in inferior service, the $\frac{\text{executive authority of the municipal council}}{\text{president of the district board}}$ should call upon the District Employment Officer or the Sub-Regional Employment Exchange to supply lists of persons suitable for appointment and that a selection may be made from among the persons included in such lists. In cases where vacancies are advertised by $\frac{\text{municipal councils}}{\text{district boards}}$ copies of such advertisements should be sent to the Employment Exchange Officers and they may be requested to bring these advertisements to the notice of prospective applicants on their registers.

Order—No. 883, *L.A., dated* 17*th June* 1954.

The Government have received certain representations regarding the scope and application of the orders in G.O. No. 25, L.A., dated 9th January 1954, on the question of consultation with the Employment Exchange in the matter of recruitment of candidates to posts under municipal councils and district boards other than those in inferior service. After careful consideration of the matter, the following instructions are issued to the Special Officers of District Boards and the Commissioners of Municipalities.

2. Under the orders issued in G.O. No. 25, L.A., dated 9th January 1954, it is obligatory on the executive authority of the municipal council and the president of the district board to call upon the District Employment Officer or the Sub-Regional Employment Exchange to supply lists of persons suitable for appointment and to make a selection from among the persons, included in such lists. If the candidates in the list, furnished by the Employment Exchange, are not found suitable, it is open to the appointing authority to call for a fresh list and to select a suitable candidate from that fresh list. Candidates who are not included in the list furnished by the Employment Exchange and who may be considered as suitable for appointment by the appointing authority

should be advised to get themselves registered and to take their chances of appointment in future vacancies. It is, however, unnecessary to call for a list of candidates in cases where vacancies are advertised; but orders contained in the last sentence of G.O. No. 25, L.A., dated 9th January 1954, should be followed in such cases.

3. The intention of the orders in G.O. No. 25, L.A., dated 9th January 1954, is that the Employment Exchange should be consulted before making appointments to all posts in superior service including those of school teachers. It is only when first appointment is to be made that such consultation is necessary. Probationers discharged for want of vacancy may be re-appointed without consultation with the Employment Exchange.

4. If the appointing authority considers it necessary to appoint local candidates, it is open to the appointing authority to ask the Employment Exchange to suggest local candidates. Such local candidates should be advised to get themselves registered in the Employment Exchange.
